Personal Data Collection Notice for Login Services

To protect your privacy rights and ensure system login security, [Cyntec Official Website] (hereinafter referred to as "the Platform") provides you with the following notice in accordance with the *Personal Data Protection Act* when offering Email One-Time Password (OTP) login services. Please read the following carefully before using the services:

1. Purpose of Collection

The specific purposes for which the Platform collects personal data mainly include:

- **Identity Verification:** Verifying user identity and providing login authentication services.
- **Account and System Security:** Managing account security, preventing unauthorized access, and defending against cyberattacks.
- **Customer Service and Operational Management:** Providing relevant customer services, system maintenance, and statistical analysis required for operations.

2. Categories of Personal Data Collected

During the login process, the Platform will collect the following categories of personal data:

- **Identifiers:** Email address (E-mail).
- **Network Connection and Device Information:** Connecting device IP address, connection time, browser type, and device information.
- **Verification and Log Data:** One-Time Password (OTP), as well as successful and failed login usage records.

3. Period, Region, Recipients, and Methods of Personal Data Use

- **Period of Use:** From the date of collection until the expiration of the specific purpose (i.e., during the operational period of the Platform), or the retention period required by relevant laws and regulations. Upon the fulfillment of the specific purpose or the expiration of the retention period, the Platform will delete or destroy the relevant personal data in accordance with the law. *(Note: The description highlighted in yellow accurately reflects standard legal compliance for data retention under Taiwan's Personal Data Protection Act.)*
- **Region of Use:** The operating location of the Platform, the location of host servers, and cross-border transfer regions as required by laws and regulations or with your consent.
- **Recipients of Use:**
 - The Platform (Cyntec Co., Ltd.).
 - Entrusted vendors assisting the Platform in executing business operations (e.g., email delivery service providers, cloud service providers, and IT security maintenance vendors). Such vendors may only process data in accordance with the Platform's instructions and are bound by confidentiality obligations.
- **Methods of Use:** Automated or electronic methods for processing and using data (including recording, storing, retrieving, transmitting, and deleting data).

4. Data Subject Rights and Exercise Methods

Pursuant to Article 3 of the *Personal Data Protection Act*, you may exercise the following rights regarding the personal data held by the Platform:

- Right to inquire or request review.
- Right to request a copy.
- Right to request supplementation or correction.
- Right to request the cessation of collection, processing, or use.
- Right to request deletion.

Contact Channels: If you wish to exercise any of the above rights, please contact us through the following channels, and we will handle your request in accordance with statutory procedures:

- **Customer Service Email:** info.service@cyntec.com

(Note: To verify your identity, relevant supporting documents may be required when exercising these rights.)

5. Impact of Refusal to Provide Personal Data

You are free to choose whether to provide the aforementioned personal data. However, if you refuse to provide a correct email address, the Platform will be unable to send the login verification code, which will prevent you from completing the login process and accessing the Platform's exclusive services and features.
